

Documentation for Web Tech Assignment 1

Welcome Page:

```
332 /* WELCOME PAGE WELCOME PAGE WELCOME PAGE*/
333 .welcome-page {
334     background-image: url('/Images/panorama2.JPG');
335     height: 410px;
336     background-repeat: repeat;
337     background-size: cover;
338     color: black;
339     text-align: center;
340     align-content: center;
341     font-size:large;
342 }
343 .welcome-page p, h1{
344     background-color: #001ba16e
345 }
346
347 footer{
348     text-align: center;
349 }
350
351 }
```

- I had some trouble styling the background image, it was always zooming in too much.
- “background-size: cover” fixed it for me

About Me – Page

- I added some silly stuff here
- To make this page, I followed our exercise from one of the virtual sessions
- I wanted to implement responsive design also here but I ran out of time

```

211  /* ABOUT ME ABOUT ME ABOUT ME*/
212  .sectionOneContainer {
213  |   display: flex;
214  |   /* align-items: left; */
215  }
216
217 #description {
218  /* background-color: #3e89bea7; */
219  padding: 5px;
220  /* height:fit-content */
221 }
222
223 #about-body [
224  margin: 0 auto;
225  width: 80%;
226  display: grid;
227  justify-content: center;
228  border: 2px dashed rgba(6, 6, 152, 0.386);
229  font-size: larger;
230 ]
231
232 #about-body h1 {
233  margin-left: 50px;
234 }
235
